Re: Red Head A7+ Anchoring System

Dear Mr. Kumar,

The Virginia Department of Transportation has evaluated ITW's Red Head A7+ Anchoring System as a chemical anchor fastening system. This product has met the requirements to be put on our approved list No. 29 for Chemical Anchors. ITW Commercial Construction's Red Head A7+ must also meet our field requirements when used on the job site.

If I can be of further assistance, please call me at (804) 328-3135.

Sincerely,

A handwritten signature in cursive script that reads "K. K. Williams".

Keith Williams
