Re: Red Head C6+

Dear Mr. Kumar,

The Virginia Department of Transportation has evaluated Red Head C6+ as a chemical anchor fastening system. This product has met the requirements to be put on our approved list No. 29 for Chemical Anchors. Red Head C6+ must also meet our field requirements when used on the job site.

For this product to remain on Approved List No. 29, each year in November beginning in 2018, ITW Commercial Construction will have to send VDOT's Central Office Materials Division a notarized letter stating that the original formula has not changed.

Product:  
Red Head C6+

Manufacturer:  
ITW Commercial Construction

Description:

One product for most environmental conditions and weather conditions. Installs even when concrete is wet. Prior to use see manufacturer's instructions for uses and precautions.

If I can be of further assistance, please call me at (804) 328-3135.

Sincerely,

A handwritten signature in cursive script that reads "K. K. Williams".

Keith Williams
