October 16, 2017

Mr. Guru Kumar  
ITW Red Head  
700 High Grove Blvd.  
Glendale Heights, IL 60139

Dear Mr. Kumar:

**Subject: Initial Product Evaluation**

The Department has approved the following products for use on our construction and maintenance projects. These products will be listed in the Qualified Products List as long as they continue to meet current specifications and performs satisfactorily in the field.

**QPL-15 Epoxy Resin Adhesives**

<u>Trade Name</u>	<u>Product</u>	<u>Type</u>
Red Head G5+	Epoxy Resin Adhesives	V
Red Head C6+	Epoxy Resin Adhesives	III

The QPL listing will be shown as follows:

ITW Red Head	##/ Glendale Heights, IL	700 High Grove Blvd Glendale Heights, IL 60139 www.itwredhead.com	630-825-7900 800-848-5611	Red Head G5+ Red Head C6+	N/A N/A	V III	ADHE88605 ADHE88603
--------------------	--------------------------------	---	------------------------------	------------------------------	------------	----------	------------------------

If you have any questions concerning this matter, please contact the Physical/Chemical Branch at 404-608-4810 or any correspondence can be sent to the attention of New Product Evaluation Engineer or Neoma Cole at:

Office of Materials and Testing  
Physical / Chemical Branch  
15 Kennedy Drive  
Forest Park, GA 30297

Products listed in the Qualified Products List (QPL) are subject to yearly evaluation. Samples will be requested at a later date. The QPL is now available on the Internet at <http://www.dot.ga.gov/doingbusiness/Materials/qpl/Pages/QPLRequirements.aspx>. We appreciate your interest in marketing products that benefit the Georgia Department of Transportation.

Sincerely,

*Richard A. Gouche*

Mr. Guru Kumar  
ITW Red Head  
700 High Grove Blvd  
Glendale Heights, IL 60139

Dear Mr. Kumar:

**Subject: Initial Product Evaluation**

Enclosed are copies of the test reports for the products submitted for the Georgia DOT initial qualified product for QPL 15. The following products do not meet the requirements specified under Section 886 of the Georgia Standard Specifications:

**QPL-15 Epoxy Resin Adhesives**

<u>Trade Name</u>	<u>Type</u>
Red Head G5+	I-S, II, IV
Red Head C6+	VIII

If you have any questions concerning this matter, please contact the Physical/Chemical Branch at 404-608-4810 or any correspondence can be sent to the attention of New Product Evaluation Engineer or Neoma Cole at the address listed below.

At this time, these products shall not be used on Georgia Department of Transportation construction and maintenance projects and they will not be listed in the Departments Qualified Products List.

We appreciate your interest in marketing products that benefit the Georgia Department of Transportation.

Sincerely,

*Richard A. Douch*
