RE: PE-17089 Red Head C6+

Mr. Kumar:

The Department has completed its review of the above referenced product submitted for approval to the Tennessee Department of Transportation.

Red Head C6+ meets the Department's requirements for injection technique epoxy type masonry anchors and will be added to the Department's Qualified Products List 22.005.

If you want it to be added to List 8, you will need to submit NTPEP test data.

If you have any questions you can call 615-350-4177 or e-mail Rick.Winters@state.tn.us.

Sincerely,

Rick Winters
TDOT Technician Senior
