Mr. Gum Kumar
Engineer
ITW Commercial Construction N.A.
700 High Grove Boulevard
Glendale Heights, Illinois 60139

Dear Mr. Kumar:

Subject: Red Head G5+

Available information on the subject product has been reviewed by our Research Liaison Committee. The Committee has found that your products satisfies the Department's current Prequalification Requirements and recommends that Red Head G5+ be approved for use. This product will be added to the 2020 Qualified Product List (QPL) for Connecticut Department of Transportation Projects.

This letter is not an endorsement Red Head G5+ and shall in no way be used for promotional purposes, such as for advertisement in a trade magazine, etc. Your cooperation is appreciated.

Sincerely,

Leo L. Fontaine, P.E.
Transportation Principal Engineer
Engineering Services
Bureau of Engineering and Construction
