Stephen Atkins
ITW Commercial Construction North America
155 Harlem Avenue
Glenview, IL 60025

Dear Mr. Atkins:

We are pleased to inform you that your product RED HEAD C6+ Adhesive Anchoring System is acceptable for use on New York State Department of Transportation projects. It will appear on the Approved List as follows:

ANCHORING MATERIALS – CHEMICALLY CURING (701-07), CAPSULE & POURABLE

Table with 4 columns: SUPPLIER AND LOCATION, BRAND NAME, CAPSULE, POURABLE. Row 1: ITW Commercial Construction North America Glenview, IL; RED HEAD C6+ Adhesive Anchoring System; (empty); X

This product will appear on the Approved List which can be found on the Internet at www.dot.ny.gov under the heading Approved List of Materials.

If there are any changes in the name, manufacturing location, formulation, or location of supplier of this product, you must inform the Materials Bureau immediately for action on continued acceptability.

We also wish to inform you that this letter shall in no way be utilized, referenced, or reproduced for purposes of advertisement, promotion, or press release, in print or digital format, including, but not limited to, internet, radio, television, podcast, or by other mass-distribution methods, or communicated to other select-audience(s), including presentations at industry conferences.

If there are any questions, contact Gun-Britt McQuade of the Materials Bureau at (518) 417-6599.

Sincerely,
