March 2017

Red Head Trubolt + **New Version** wedge anchor replaces our existing Trubolt wedge anchor

To whom it may concern:

Red Head Trubolt + **New Version** wedge anchor will replace our existing Red Head Trubolt wedge anchor for concrete and masonry applications. Red Head Trubolt + is a torque controlled mechanical expansion anchor that is designed to attach a member into a diverse range of base materials, including concrete, masonry and metal deck floor and roof assemblies. Trubolt + is offered in different materials including carbon steel, hot-dipped galvanized, 304 and 316 stainless steel. Trubolt + **New Version** part numbers will be different from current Trubolt as follow:

MATERIALS	Trubolt +	Trubolt
	NEW	OLD
Carbon Steel	TB4C-XXXX	WS-XXXX
Hot-Dipped Galvanized	TB4G-XXXX	WS-XXXXG
304 Stainless Steel	TB4S4-XXXX	WW-XXXX
316 Stainless Steel	TB4S6-XXXX	SWW-XXXX

Trubolt + has crack, uncracked, and seismic approvals.

If you have any further questions, please do not hesitate to contact our customer service team at 800-848-5611
