March 2017

Red Head Trubolt + wedge anchor replaces our current Trubolt + wedge anchor

To whom it may concern:

Red Head Trubolt + **New Version** wedge anchor will replace our existing Red Head Trubolt + wedge anchor for concrete and masonry applications. Red Head Trubolt + is a torque controlled mechanical expansion anchor that is designed to attach a member into a diverse range of base materials, including concrete, masonry and metal deck floor and roof assemblies. Trubolt + is offered in different materials including carbon steel and 316 stainless steel. Trubolt + **New Version** part numbers will be different from current Trubolt+ as follow:

<b>MATERIALS</b>	<b>Trubolt +</b>	<b>Trubolt +</b>
	<b>NEW</b>	<b>Old</b>
<b>Carbon Steel</b>	TB4C-XXXX	CWS-XXXX
<b>Hot-Dipped Galvanized</b>	TB4G-XXXX	N/A
<b>304 Stainless Steel</b>	TB4S4-XXXX	N/A
<b>316 Stainless Steel</b>	TB4S6-XXXX	CSWW-XXXX

Trubolt + has crack, uncracked, and seismic approvals.

If you have any further questions, please do not hesitate to contact our customer service team at 800-848-5611
